About Luke's Landscaping Co.

We have the best landscape artists who can turn any backyard, garden, terrace or courtyard into a lush and vivid outdoor space you'll love. Share your vision with us, and we will turn it into reality! Our landscape designers have the knowledge, experience and extraordinary portfolios filled with beautiful creations. We have put together a rich and versatile team to make sure you find a person who can deliver a landscape design that matches your taste, caters to your needs and ultimately exceeds your expectations. Let Luke's Landscaping Co. dream up and build a breath-taking outdoor space you are bound to enjoy in years to come!

We Tailor Enchanting Outdoor Spaces for You

Your journey to a beautiful landscape design begins with an idea. Tell us how you imagine the perfect outdoor space and let us work on it to create a garden you'll fall in love with. With over 30 years of experience, our team can transform any space into a dreamy hideaway where you can relax and enjoy the lush greenery. We specialise in designing and building extraordinary luxury spaces and transforming plain gardens into destination-inspired dreamy landscapes. You can rely on us to maximise the space, fine-tune the design and use only premium-quality materials, the lushest plants and the most advanced sustainable systems to develop a garden space tailored to your needs and desires. We never compromise on quality because our mission is to deliver the most beautiful garden spaces. Our team is committed to creating a perfect landscape for every client and executing the whole project from the first design draft to the final touch-up. You can approach us with a specific requirement, no matter how big or small, and we will provide you with realistic timetables you'll be able to fit into your schedule.

We Go the Extra Mile to Make Your Garden Adorable!

Let us create a truly unique landscape design for you! We can give you the best professional advice on which plants, trees, turf, paving or roofing you should choose because we know exactly what works for your garden. You can rest assured we will make the most of the available space and even go beyond the landscaping conventions to create something extraordinary. Whether you want a beach resort-like poolside bliss or a vibrant bush-themed garden, we can craft a design uniquely for you while making sure to meet your time limitations, budget constraints and other specific requirements. anything you have imagined whilst always considering your budget and time constraints.

3D Landscape Design Service

We Use Innovative Methods to Create Astonishing Landscapes

Do you want to see how your dream garden will look like when we complete our work? Our team uses the latest 3D technology to bring life to our wonderful sketches. You will be able to visualise every detail and picture yourself in a gorgeous outdoor environment. With such a detailed outline, you'll know exactly what to expect and make sure the design truly matches your vision.

Your Landscape Design Journey

Call Us and Schedule an Appointment

Your journey begins with a consultation. This is your opportunity to talk to our friendly team and share your ideas. Tell us how you envisaged your beautiful outdoor space, and we will come up with a plan that works for you. We carefully choose projects, so we will accept them only if your vision matches ours.

We Work on a Design Plan That Matches Your Needs

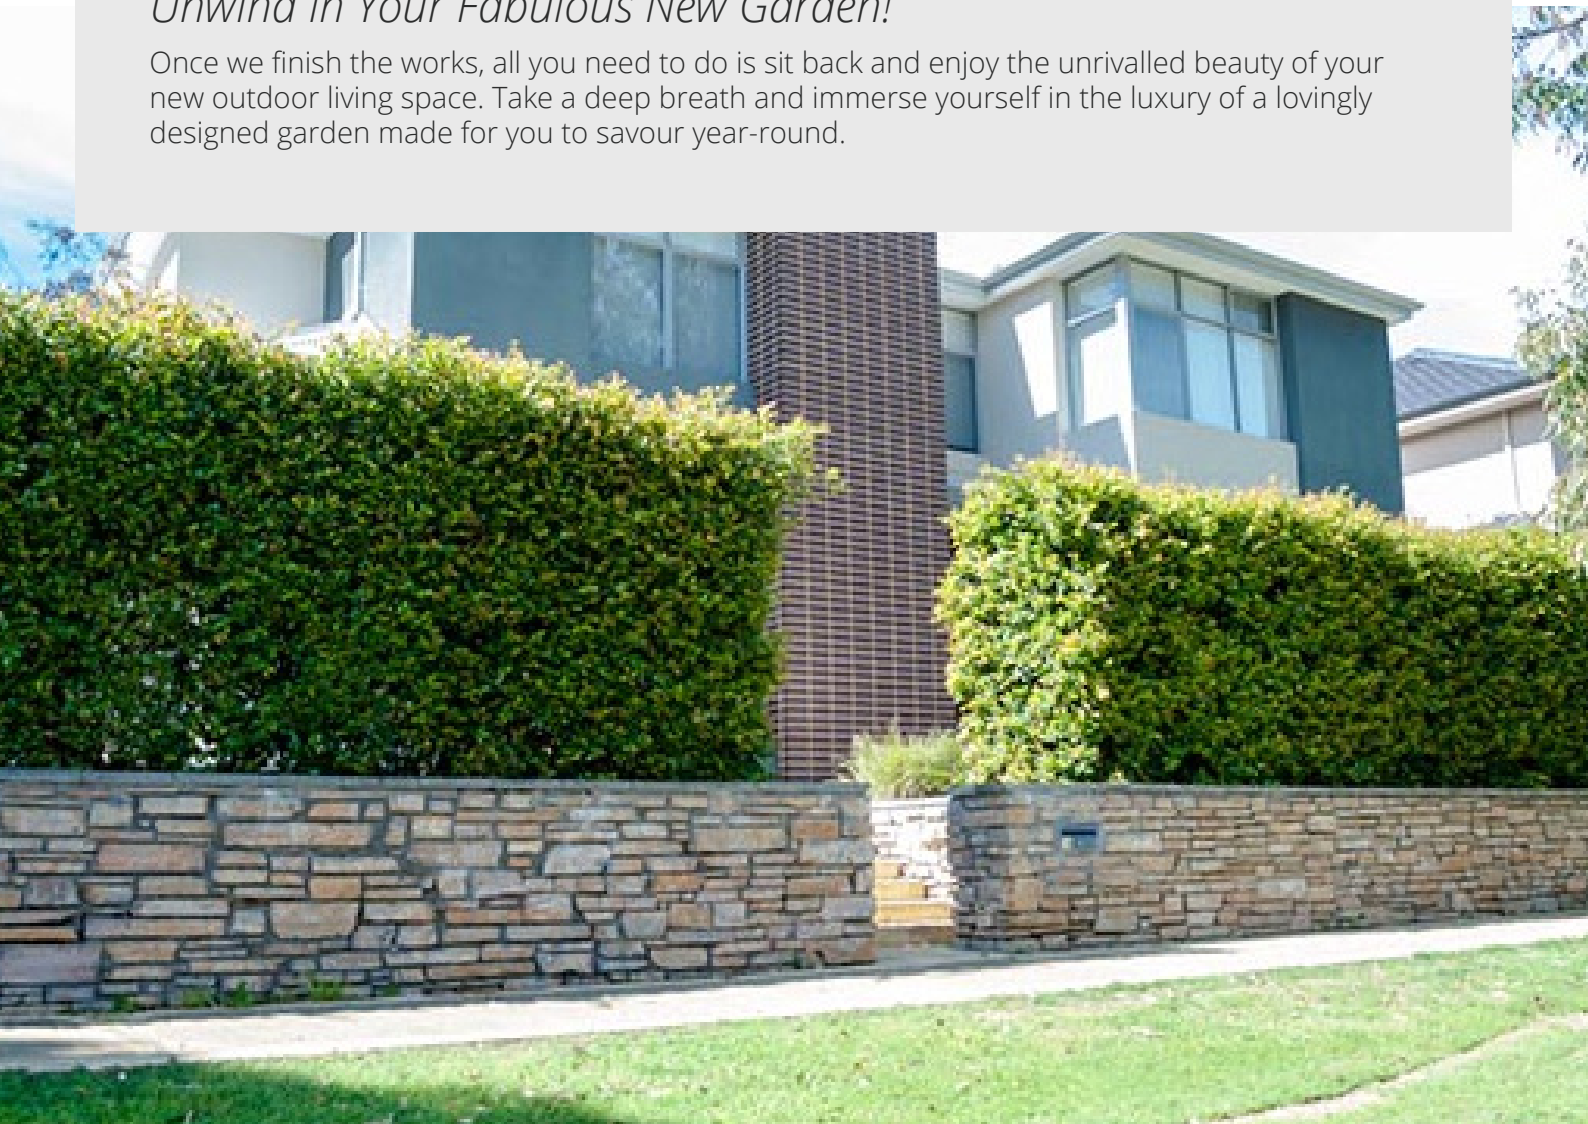

Let our talented and experienced team create a life-like 3D model of your dream garden! We make sure to incorporate all your ideas and come up with a customised design and a detailed timeline. As soon as we finish, you will receive the draft of the project that is sure to inspire and amaze you with its unique features and impressive functionality. We will work with you until you are happy with the plan!

We Build a Stunning Outdoor Space

From planting trees and flowers to paving and installing reticulation systems, our skilled team will carry out all the tasks carefully and efficiently. You can rely on us to hand-pick everything and use only the best materials available on the market. We will follow a strict schedule and make sure your beautiful landscape is meticulously built and perfectly manicured according to the set timeline.

Unwind in Your Fabulous New Garden!

Once we finish the works, all you need to do is sit back and enjoy the unrivalled beauty of your new outdoor living space. Take a deep breath and immerse yourself in the luxury of a lovingly designed garden made for you to savour year-round.

Bespoke Landscape Solutions

Luke's Landscaping Co. specialises in creating beautiful outdoor spaces that are unique and custom-made. We take time to listen to your ideas and understand your needs because our goal is to take your breath away! Let us impress you with our designs and help you make a dream come true!

Our Assurances

We'll Stay Within Your Time & Budget Limits

For every project we take, we guarantee to complete the works on time without delays and additional costs. All members of our team are committed to professional work and outstanding customer service that is second to none.

We Will Make Sure You Are 100% Satisfied

We pride ourselves on the quality of workmanship and materials, and we ensure you will be happy with the result. This is why we offer a warranty on all our products and services!

We Will Be Efficient

You can rely on our team to work efficiently, punctually and without a glitch. We have superb management systems to ensure the project is completed on time. We provide our clients with access to all documents and schedules. If any changes are made, you will be notified right away.

We Will Deliver Uncompromised Quality

We never compromise on quality, and we always invest in the best tools and most innovative software. Since we specialise in luxury landscape design, we make sure to deliver final products that meet the highest industry standards.

We'll Communicate With You

Clear communication is an important part of our exceptional customer service. We are committed to transparency, and we always keep our clients informed about the details of their projects. Feel free to contact us any time because we are always available for your enquiries.

We Have a Clean Site Policy

You can rest assured that we will leave the site immaculate and ready for you to enjoy after we finish with the works. We remove all the tools or debris at the end of the working day and make sure that the property is safe, clean and tidy throughout the whole duration of the project.

The Ultimate Outdoor Living Space for the Whole Family!

Luke's Landscaping Co. creates stunning outdoor spaces that are combining luxury and functionality. We make landscapes that are liveable, intuitive and suitable for various purposes. Knowing that a modern Australian family needs outdoor areas for dining, relaxation, entertainment and even working, we create gorgeous multi functional areas that are taking your everyday life outside. We can revamp, transform and glam up any garden to make it more personal, breathable and enjoyable. Let our amazing landscape artists bring your best ideas to life and create a masterpiece that caters to the needs of your family!
